

Frequently Asked Questions

1. What is the application time?

Please refer to the admission brochure.

2. I am not in China, how to convert my time to class time?

The time arrangement in the course schedule is based on the GMT+8.

Please check the class time corresponding to your time zone according to the standard of world time conversion.

3. Do I have to attend online experience courses and learn online materials in the prescribed time?

You are allowed to learn online experience courses and online materials according to your time arrangement after the live teaching.

4. In closing ceremony, what is the summary and sharing part?

After attending the program, students are required to submit their learning reports and feedback. In closing ceremony, presentations can be made in groups of four to six students.
