

2017 Admission Brochure

Shanghai University of Traditional Chinese Medicine Doctoral Degree Program for International Students

1. Enrollment Majors

There are two models for the Doctoral Degree program at Shanghai University of Traditional Chinese Medicine (SHUTCM): full time and part time. Generally, courses are taught in Chinese. Some majors are taught in English, please contact the Admission Office, International Education College for detailed information.

For detailed information of the enrollment majors, please see the *2017 Catalog for English Doctoral Degree Program at Shanghai University of Traditional Chinese Medicine (SHUTCM)* (Attachment 1). Applicants can choose tutors listed in the aforementioned Catalog or get more information from “Shanghai University of Traditional Chinese Medicine Tutor Catalog” at <http://lib.shutcm.edu.cn/daoshi/>. Applicants are required to contact tutors in the related major and orientation and to submit the *Tutor’s Consent Form to Accept International Students for Doctoral Degree Program* (Attachment 2), along with the application materials. If applicants have no specific orientation, a tutor can be recommended by the University.

2. Length of Schooling

The length of Schooling is 3 years, and can be extended to 5 years in maximum.

3. Eligibility for Application

- Healthy foreign nationals
- A Master degree in medicine or science (pharmacy)
- Under 45 years of age
- Applicants for programs taught in Chinese must score at least 180 points in HSK Level VI exam. There are no minimal Chinese language requirements for those who apply for programs taught in English or Japanese. Non-native English speakers must score at least 90 points in TOEFL exam or 6.5 points in IELTS exam for the programs taught in English.
- Applicants without TCM background are expected to have certain ability of self-study and research.

5. Application Period

Dec.15th, 2016—Mar.15th 2017 (Working Days only)

6. The Entrance Qualification Verification and Interview

The application qualification needs to be verified by the University. Upon verification, the applicants shall proceed with an interview. The entrance interview for Doctoral degree program can be done face-to-face, by telephone or online. (Applicants based in Asian areas are required to attend on-site interviews. Exceptions can only be made by work or health reasons. Applicants are expected to submit written request and certificates for other options.) Applicants need to fill in the *Intent to Interview Form for International Students Who Study Doctoral Degree Program at Shanghai University of Traditional Chinese Medicine*. The Interview Notice will be sent by the *Admission Office, International Education College, Shanghai University of Traditional Chinese Medicine*.

7. Enrollment

The final enrollment will be based on application materials, interview results and comprehensive evaluation by mentors. Requests for changing mentors will not be accepted after enrollments. The *Admission Notice* and the *JW202 Form* will be sent to applicants in middle of June, 2017.

8. Beginning of school

Full-time Doctoral Program: September, 2017 (Please see the date on *Admission Notice* and *Pre-arrival Guide for New International Students*)

Part-time Doctoral Program: Please see the date on *Admission Notice* and *Pre-arrival Guide for New International Students*.

9. Registration

Students who are accepted shall apply student visa (X1 visa) to Chinese embassy/consulate in your home countries with your passport, *Admission Notice* and *JW 202 Form*. Upon visa approval, please register on the designated time specified in *Admission Notice*. Students who only submitted school attendance certificate shall then supply the original or copy of the academic degree; otherwise, the qualification for matriculation will be cancelled. Students who are accepted by the university should be presented and register according to the date of the beginning of the 1st semester in academic year 2016. If the students cannot come and register on time, he or she should ask for permit from the university. Otherwise, his or her qualification of admission will be cancelled.
